

THE COLONIAL PENNSYLVANIA PLANTATION AT RIDLEY CREEK STATE PARK

SPONSORSHIP OPPORTUNITIES

SEASON SPONSOR

Sponsorship Level: \$3000 for the entire season

Description: The Colonial Pennsylvania Plantation welcomes over 8,000 school students and parents during our weekday programming, in addition to the 3,500-4,500 visitors that we welcome to our weekend events. Our Season Sponsor will enjoy all of the benefits of exposure to all of these visitors over the course of the year. These visitors can tour the historic farmhouse, meet our heritage breed animals, dip candles, help us with farm chores like getting water from the well and sawing wood, help our blacksmith make the tools we need for daily life, and more. Special activities like harvesting crops, making beer and cider, and woodworking further enrich and enliven the atmosphere on select days.

Sponsor receives:
